

Game/src/EndStateData.cpp

```
graph TD; A[Game/src/EndStateData.cpp] --> B[StateData.h]; A --> C[Defines.h];
```

The diagram illustrates a file dependency. A central box at the top, labeled 'Game/src/EndStateData.cpp', has two arrows pointing downwards to two separate boxes below it. The left box is labeled 'StateData.h' and the right box is labeled 'Defines.h'. This indicates that the 'EndStateData.cpp' file includes or depends on both 'StateData.h' and 'Defines.h'.

StateData.h

Defines.h
